

Dear Parent/Guardians,

We hope this letter finds all the families safe and healthy. This communication is to inform you that on April 10, 2020 the Arizona Dept. of Education, Health and Nutrition Services issued a memo HNS # 20-2020-P-EBT Families First Coronavirus Respond Act.

In respond to this Act, FMES advocated on your behalf and submitted all enrolled student information who were participating in the National School Lunch Program and lost meals due to the closure of the school. The information required by DES was submitted on April 16, 2020.

Families who are already on the SNAP program will have the Pandemic EBT dollars added to their monthly allotments. Families not participating in the SNAP program, will be issues a P-EBT card. Allocation timeline is not available at this time

FIRST MESA ELEMENTARY SCHOOL will continue to support families as much as we can during these uncertain times. Take care of one another, wash your hands, wear a mask and stay home as much as possible.
