September 27, 2022

Dear Parents/Guardians,

First Mesa Elementary School will celebrate “Indian Day” on Friday, September 30, 2022 a little different this year. We will be hosting cultural presentations for the students ONLY. The reason is that we currently have a COVID Safety Plan in place. As the positive COVID numbers decrease in our village, we will continue to make adjustments in our Safety Plan accordingly. Thank you for your understanding.
