Dear FMES Parents/Guardians,

At this time, BIE Albuquerque Office and Office of Hopi Education are allowing individual schools to participate in or opt out of the BIE Standards Proficiency Assessments. After careful review with FMES Teachers and Safety Team, it was deemed that FMES will participate in the BIE Standards Proficiency Assessments for:

1. Assessment Data will guide FMES in school-wide planning, as we transition into the next school year.
2. Individual student academic data to support educational initiatives.

First Mesa Elementary School has provided the following to support BIE Standards Proficiency Assessment participation:

1. FMES Safety Team Covid-19 Plan.
2. FMES BIE Standards Proficiency Assessment Parent/Guardian Meeting.
3. FMES BIE Standards Proficiency Assessment Plan.
4. Testing locations- groups meet CDC regulations.
5. FMES Teaching staff are confident in student academic success.

Therefore, please complete the following and return to First Mesa Elementary School to ensure proper planning. Thank you.
